

Agency: DNR / DPOR / OHA - SHPS

Name: b. Antonson

**A. Are we addressing your comments as we move forward on this project? (please circle one):**

4 - I am satisfied with your response to my agency's comments.

**3** - I am mostly satisfied with your response to my agency's comments, but still have the following concern:

want to make sure schedule takes into account agreed upon mitigation - unknown -  
at this time what <sup>Cultural</sup> resources will be impacted - and will have procedure for unanticipated

2 - I don't know how you are addressing the following comment that my agency has made: discusses

1 - The direction you are taking is seriously flawed because:

**B. What is the best way to let you know we are responding to your comments? (please check one):**

The comment matrix summarizing the comments received and showing your corresponding action item is sufficient.

Let's talk by phone to go over my agency's comments and your response.

I'd like to set up a meeting with you and a few key people from my agency to go over my agency's comments and your response

My agency doesn't need an individual response.

Other - which is: \_\_\_\_\_

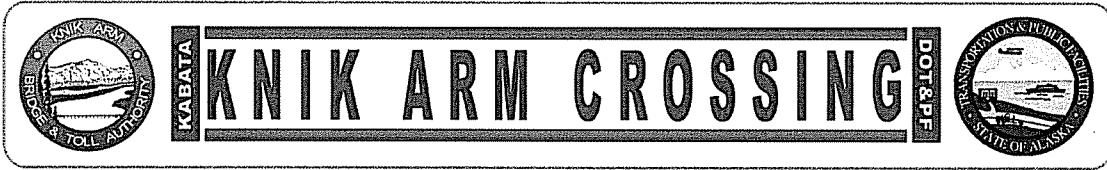

**C. Have we adequately captured the range of alternatives? (please check one):**

Yes. My agency is satisfied with the range of alternatives for initial screening.

No. The alternative that should be considered is \_\_\_\_\_

for the following reason(s) \_\_\_\_\_

I don't know (or I am the wrong person from my agency at this meeting).
