### ITEMS DISCUSSED:

- Native Village of Tyonek:  
 I contacted Angela Standstol, Secretary for the Native Village of Tyonek regarding the May 12, 2005 Tribal Consultation meeting. Angela informed me she will be representing the tribe at the next meeting and is the official point of contact. The Tribe has not determined if they would like a presentation in their community, but will let me know about setting up a public meeting in their village. Angela also asked whether or not the Beluga Coal Mine would be influenced by the Knik Bridge Crossing? There has been recent media attention to the mine. Angela requested plane reservations for 5/12/05 on Spernak Air. I made reservations for 10:30 am returning at 4:00 pm.
