KABATA ANNOUNCES NAMES OF RFQ RESPONDERS

(Anchorage, AK), March 15, 2007: The Knik Arm Bridge and Toll Authority (KABATA) reported yesterday that they had received two Statements of Qualifications (SOQ) in response to a Request for Qualifications (RFQ) issued in December 2006. Today, Henry Springer, Executive Director for KABATA, confirmed both responders appear to be well qualified and submitted responsive packages.

Both of the groups participating in the process include a mix of international and domestic firms, as follows:

Knik Arm Crossing Consortium:

Bougyes Travaux Public, SA. France
URS Corp., San Francisco, California
ARUP Engineering, United Kingdom
USKH, Anchorage, Alaska
Entrix, Houston, Texas

Knik Arm Crossing Contractors:

Macquarie Bank, Australia
Macquarie Securities (USA), New York
Kiewit Pacific, Seattle/Omaha
Manson Construction, Seattle, Washington
Parsons, Los Angeles, California
Golder Associates, Anchorage, Alaska
VMS, Inc. Richmond, Virginia

Additional information about KABATA and the Knik Arm Crossing can be found on KABATA's website at www.knikarmbridge.com.
